

“ChristmasPODGenerator”

User Manual

THE FOLLOWING TERMS AND CONDITIONS APPLY:

While all attempts have been made to verify information provided, neither I, nor any ancillary party, assumes any responsibility for errors, omissions, or contradictory interpretation of the subject matter herein.

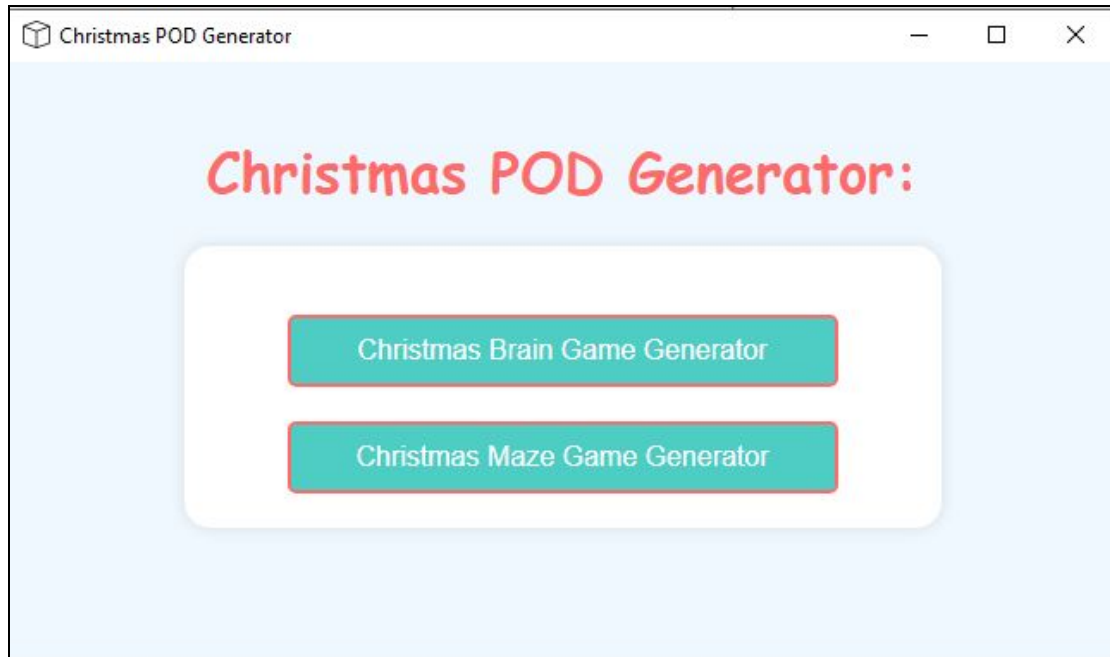

As required by FTC rules, we want to inform you that results are not typical. We do not guarantee or imply that using our software will make you rich or generate any income at all. This software has no affiliation with Pinterest, Facebook, Instagram, Amazon or any other sites. Its functionality is limited to game generation, which users can utilize for various purposes, over which we have no influence or responsibility. We are not responsible for how you use this software, and your income or results, if any, will vary.

Software and associated files is distributed as is without any warranty of any kind, either express or implied.

Using the Software

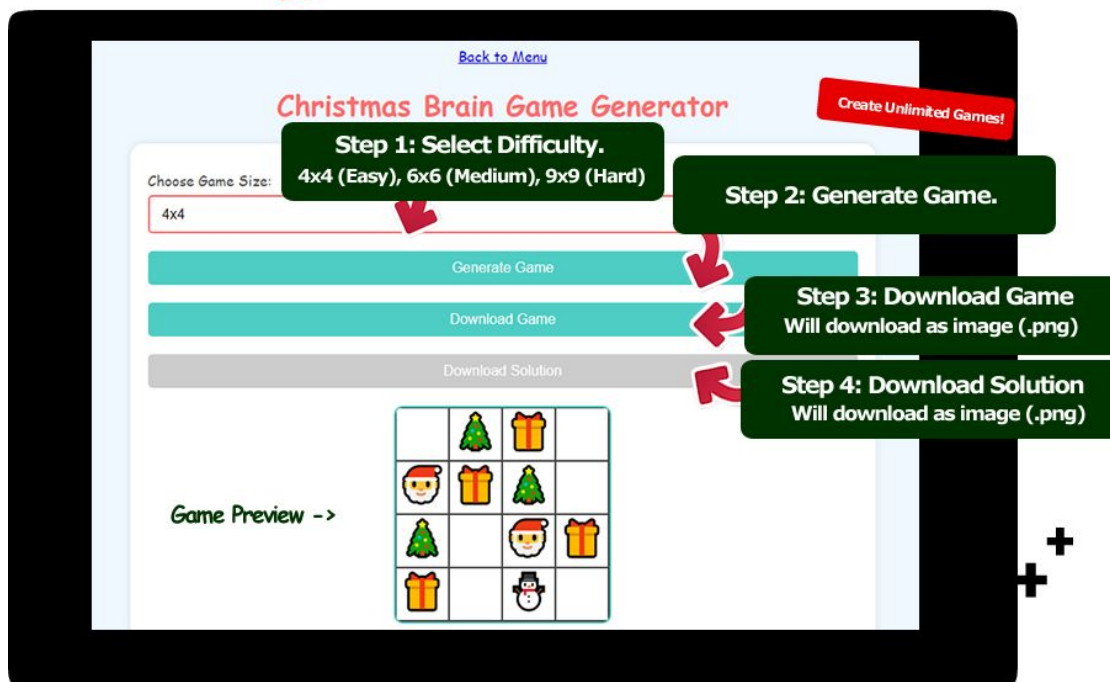

Using the software is really easy.

This is the Main Screen:

We'll see how to use the first option (which creates "Sudoku Type" games):

Sudoku Type Christmas Games Generator

Comment: You can drag and drop the generated games into a Word document to prepare your ebooks.

Now We'll see how to use the second option (which creates Maze Games):

The screenshot shows the 'Christmas Maze Game Generator' interface. At the top right, a red banner says 'Create Unlimited Games!'. The main title is 'Christmas Maze Game Generator'. Below it, a green box labeled 'Step 1: Select Difficulty.' contains the text '4x4 (Easy), 6x6 (Medium), 9x9 (Hard)'. A red arrow points from this box to a dropdown menu titled 'Choose a design for the start line'. The dropdown menu lists 'Christmas Tree', 'Santa Claus', 'Gift' (which is highlighted in blue), 'Snowman', 'Snowflake', and 'Star'. Below the dropdown, a green box labeled 'Step 2: Generate and Preview Game.' has a red arrow pointing to a 'Select Difficulty:' dropdown menu. This menu is currently set to 'Easy'. Below the difficulty menu are two teal buttons: 'Generate Maze' and 'Download Maze'. A red arrow points from the 'Download Maze' button to a green box labeled 'Step 3: Download Game', which contains the text 'Will download as image (.png)'. A small black plus sign is visible to the right of the 'Download Maze' button.

That's All!
