While all attempts have been made to verify information provided, neither I, nor any ancillary party, assumes any responsibility for errors, omissions, or contradictory interpretation of the subject matter herein.

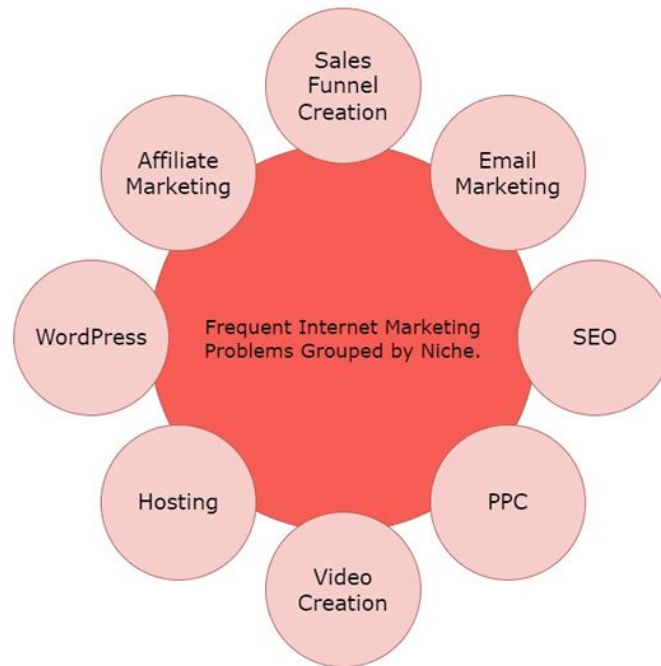

As required by FTC rules, we want to inform you that results are not typical. We do not guarantee or imply that using our software will make you rich or generate any income at all. This software has no affiliation with Pinterest, Facebook, Instagram, or any other sites. Its functionality is limited to image modification, which users can utilize for various purposes, over which we have no influence or responsibility. We are not responsible for how you use this software, and your income or results, if any, will vary.

Software and associated files is distributed as is without any warranty of any kind, either express or implied.

# Using the Software

Using the software is really easy.

**Step 1:** Select a Sub-Niche from the Internet Marketing Niche.

**Step 2:** Select a problem from the list...

**Niche: Sales Funnel Creation** X

Select a Topic (Problem) for Your Article:

Lack of Cloud-Based Solutions for Mobility  
Lack of Customization Options  
Lack of Easy-to-Use Funnel Builders  
**Poor Analytics for Funnel Performance**  
Poor Conversion Rates  
Time-Consuming Funnel Creation

Additional Details:

Funnel tools lack detailed analytics, making optimization difficult.

☒ **Recommend Free Resources** Recommending free resources can help highlight the value of paid options and increase your conversions.

Google Analytics: Free web traffic and funnel tracking.

If you recommend a free resource, the prompt will give more weight to the paid resources.

**Recommended Paid Resources:** [How to Monetize these paid resources?](#)

Funnelytics: Visual funnel mapping and analytics platform.  
ClickMagick: Tracks sales funnel performance and optimizes conversions.  
Keep (Infusionsoft): CRM with built-in funnel and analytics tracking.

Want to remove some resources? You can. Want to add your own resources? You can. Just try to use a similar format (product name: product description and features).

Generate Article Prompt

Comment: For each problem you'll get recommended resources (free and paid). Most of the paid resources have an affiliate program so you can google these programs and signup as an affiliate. Once that you have created your articles, you can insert your affiliate links.

If you want to modify the recommendations, you can.

**Step 3:** Click the "Generate Article Prompt".

You'll see a prompt that you can use inside ChatGPT (click "Copy to Clipboard" and paste it inside ChatGPT or other tool).

**Your Article Prompt:**[Copy to Clipboard](#)

Please create a "Problem-Solution" article considering the following info:  
  
Niche: Internet Marketing  
Sub-niche: Sales Funnel Creation  
Problem: Funnel tools lack detailed analytics, making optimization difficult.  
  
Describe the problem and its implications.  
  
As a solution, present the following resources  
  
Free:  
Google Analytics: Free web traffic and funnel tracking.  
  
Paid:  
Funnelytics: Visual funnel mapping and analytics platform.  
ClickMagick: Tracks sales funnel performance and optimizes conversions.  
Keap (Infusionsoft): CRM with built-in funnel and analytics tracking.  
  
Give more weight to the paid solutions and based on the info that you have of each one of them, provide valuable information to the user, mentioning their strenghts.  
  
The article needs to have between 600 and 800 words. Make small paragraphs (no more than 100 words per paragraph).

*If you want, you can freely modify the prompt to adjust it to your needs.*

**That's All!**
